# UEL Newsletter

Welcome new and returning residents! We are super excited to introduce the monthly UEL Newsletter. Look for a new calendar every month for new information, games and sometimes even the opportunity to win prizes ☺

For now, here is some important information you **NEED TO KNOW**:

## Parking and Towing

As some of you have probably noticed or heard about, if you or any of your guests park in a numbered space that you **DO NOT HAVE A PERMIT** for you will be towed by the resident who is paying for that space. If you do not have a parking space and need one, please stop by the front office to hear your options for parking or call (916)739-0900. At this point, we do have a few more spaces left in our satellite parking lot for \$30 per month but hurry, spaces are disappearing fast!

## Financial Aid, Marijuana and You!

Incase you haven't received it yet, here is some pretty important information for you as a student straight from the Vice President For Student Affairs lips:

Please be aware that you will lose your eligibility for federal financial aid if you are convicted of a drug offense while you are a student at Sacramento State. Please refer to the link below to read the disclosure and contact the Financial Aid Office if you should have any questions.

[https://webapps1.csus.edu/faid\\_general/downloads/2011\\_forms/DrugConviction%209-09.pdf](https://webapps1.csus.edu/faid_general/downloads/2011_forms/DrugConviction%209-09.pdf)

Essentially this means that if you are found to be guilty of a drug offense not only are you risking being suspended/kicked out of the University, you are also risking having any Financial Aid you receive pulled. PLUS being kicked out of housing. Now you know...

## Safety Tips

Here it is, the little segment where we sound like your mom for a second so bare with us.

\*The buddy system is a GREAT idea. Taking the shuttle instead of walking alone is one way to avoid making yourself a target.

\*Don't leave your bike unlocked or use only a cable lock. Look into a U-shaped lock to help deter bike theft.

\*Don't leave valuables in your car or leave your car unlocked!

## Handbook Review

If you have not already done so make sure you check out the handbook online. It's important for you to know the rules you are responsible for following! Your RA will be going around soon to make sure you have completed your signature page. Check it out at: <http://www.uelsacramento.com/handbook.php>

## Rent and Parking Installments

Don't forget that beginning October 1st, your next rent and parking installments are due! You can write both payments on the same check or money order. Don't forget, payments can also be made online at [UELsacramento.com](http://UELsacramento.com).

## Comcast Issues

Residents having internet/cable issues can contact Comcast directly. You do NOT need an account number, you just need to give them your address and tell them you are apart of the Upper Eastside Lofts bulk account. The number to call is: 1-800-856-2374
